ANNUAL MEETING 2012 RECAP

Brent Brewbaker led a terrific Annual Meeting of the Rho Chapter Alumni Association yesterday at the Players Retreat in Raleigh. It was wonderful to see some of the guys that were graduating about the year I pledged, such as Bub Godehn, John "Shorty" Shortridge, Terry Allen, and Speedy Mitchell. Also Dave Drake my big brother, and some of my contemporaries such as Jim Singer, whom I had not seen in about 30 years, Rob Manchester, Lloyd Mattingly, Jim Baggs, Jack Cummings, and many more were in attendance. In total, counting a few of the active EC, and a few of the current pledges, we had more than 30 people in attendance.

It's very gratifying that the actives have 15 pledges again this semester and will start the fall semester with approximately 60 active brothers--a record for many, many years. These are a great bunch of guys led by Thomas Stokes, Sage.

Grady Sykes reviewed a number of key issues including the status of marketing our lot on Greek Way and leasing extensions for the current house we're leasing on Hillsborough Street near Meredith College. Grady has done a fabulous job with the help of Steele Hall, Michael Kaney and others on these key issues.

Speedy reported on the terrific Homecoming event we held this year, the Durham Bulls baseball outing we had during the summer, and plans for future events.

Terry Allen reported on the work to develop new Bylaws that were ratified during the meeting, and Tommy Rodwell discussed many general but important issues such as improving our contact list, gaining dues paying members, and future plans for the alumni web page.

Steele Hall, Treasurer, reported that our finances are in good shape and that all taxes have been paid. We all then enjoyed lunch and a few beverages as we watched the Clemson/NC State basketball game together.

If you have not joined the Rho Chapter Sigma Pi Alumni Association, we would greatly appreciate your joining. Please see the alumni page on the Chapter's website at www.ncsusigmapi.edu. Please contact me for any information.

Career Advice for the Actives

After discussions with the Actives, it was decided that they would greatly benefit from occasional presentations by Alumni on career and personal topics. We have decided to try and coordinate a monthly presentation by an alumnus (probably a Sunday night during a Chapter meeting), where the alumnus would briefly speak about their career or another subject relevant to the Actives (financial planning, resume writing, etc.) and answer any questions. If you are interested in speaking please contact Tommy Rodwell at tommy.rodwell@scientificproperties.com or 919-604-7078, please include any topics you would like to present.

The Actives are also always on the lookout for internships or post-graduation career opportunities. If you or your company have any opportunities please let us know. In the future we hope to organize a job board where Alumni can post opportunities directly.
