Scholarship

As alumni, thinking back on our time as students likely takes us to memories of Homecomings, football games and tailgating, and what we can remember of various functions at the house. It is easy to forget the key reason for our undergraduate brothers to be at NC State: Scholarship.

Several semesters ago, the actives approached the Board of Directors asking for help in establishing a scholarship program for new members. The board approved issuing three scholarships of \$100 each to three new members who excel academically while meeting their obligations to the Fraternity.

Additionally, the board has presented the active brotherhood with a plaque which is displayed in the house recording the names of the scholarship winners.

The scholarship program is now entering its second year and this semester's winners will be announced at the March 4 Founders' Day meeting.

The scholarships are named Sigma, Pi, and Rho. The hope of the board is that alumni will fund one of the scholarships each semester. Donors will also be listed on the plaque.

Please join me in congratulating the scholarship winners. If you would like to participate in the new member scholarship program this semester, please contact me at will.lackey@gmail.com or 479-295-6620.

In the Bond,
Will Lackey
Vice President, Rho Chapter of Sigma Pi Alumni Association

Active Update

The brotherhood of Sigma Pi, Rho Chapter would like to extend our thanks to the alumni for their continued involvement and support in our chapter. We have most recently completed the fall semester of the 2016 year and currently have 79 active brothers. In the Fall, we had the pleasure of welcoming 16 new brothers into our chapter. Throughout the Fall we were able to have several brotherhood events including an annual campout trip in Greenville, NC and a Captain's Choice Golf Tournament. Also, during the Fall we were able to complete a Career Development Seminar to assist the brotherhood with mock interviews, appropriate interview attire, and how to prepare for upcoming job searches. We are proud to announce that we are the current Intramural Flag Football Champions for the Fraternity League and hope to add to our championships with basketball and softball. For the Spring we have some exciting events upcoming for the brotherhood. The 4th – 6th of February we are having Mountain Weekend in Pigeon Forge and in the later part of April we are planning a trip to Charleston for our Formal. We are actively preparing for our 7th annual "Break the Silence" 5k, which is set for March 25th. As mentioned in our previous newsletter, we raised over \$10,000 for the NCSU counseling center last year, which was our highest donation thus far. We hope to continue to expand the event this year, if you wish to donate and/or participate in this year's event the link has been included, www.ncsubreakthesilence.com. Let's not forget that our Founder's Day is approaching quickly, we hope to see many of you there on February 25th at the Player's Retreat. We hope to have a brotherhood and alumni event together this Spring if you have any suggestions please contact our 1st counselor Konner Klingenberg (konkling@gmail.com). If you have any suggestions for us as a chapter, or if you'd like to connect to our chapter in any way, please feel free to email our 1st counselor Konner Klingenberg or our Sage, Adam Elshanawany (aelshan@ncsu.edu).

Treasurer's Report

Treasurer's Report

Be sure to put Saturday, March 4th on your calendar for our annual Sigma Pi Alumni Association meeting at the Players Retreat (PR) just off Hillsborough Street starting at 10:00 am. We will have a good meeting in a relaxed atmosphere, and many of us will likely stay for Lunch afterwards.

We are continuing our push to grow the Alumni Association, and one of the best ways to help that happen is for each of us need to contact brothers from our era and get them involved. Our goal is still to grow to over 100 dues paying members, and we continue to make good progress as we had a record 78 active members in 2016 (See list below). Your reaching out to other brothers will help us reach this goal. Also, go on the Rho Chapter website (www.ncsusigmapi.com) to see what's going on with the actives, and then connect to our Facebook link to catch up with brothers from the last 50 years.

Your attendance and input is welcome as we have some important business to discuss at this meeting. ITB Steele Hall
